(4 skeins Baby Hand Dyed per kit)

Needles: US #3/3.25mm OR
US #6/4mm 24"/61cm circular

Gauge: US #3/3.25mm: 23 sts x 26 rows = 4" square stockinette stitch
US #6/4mm: 21 sts x 24 rows = 4" square stockinette stitch

Pattern Notes:

This blanket is worked in stockinette stitch, bordered by a band of seed stitch on both ends and along the sides. The sample as shown was knit by lining up the four colors of colorway 509 from darkest to lightest and knit in that order. The needle sizes shown offer two gauge/tension options. The smaller needle size will make a tighter knit blanket, while the larger size will be looser. We suggest swatching both options before you start to determine which you prefer.
